DETAILED ACTION

This is in reference to communication received 04 June 2008. Upon review of the pending claims and the history of election of claims, it is deemed that the proper status of the claims are not proper.

In the response received 12 August 2005, applicant elected Claims 1 – 62 and 101 – 142 for examination. The election was made without traverse because applicant had not positively elected the claims with traverse, and, there were no arguments presented by the applicant on why the election was made with traverse.

On 25 June 2006, applicant filed an amendment by canceling claims 1 – 62 and therefore claims 101 – 142 are pending for examination. Claims 143 and 144 were labeled Original which were corrected in the amendment filed 21 April 2006.

Due to plurality of amendments to the elected claims prior to the issue of the office action mailed In the office action mailed 02 December 2006, a section of the office action was omitted which is made in the office action.

Election/Restrictions

Applicant's election without traverse of claims 101 – 142 in the response filed on 12 August 2005 and amendment to elected claims filed 25 June 2006 is acknowledged.

To expedite the prosecution of the instant application, in response to this office action, applicant is requested to acknowledge the receipt of the omitted paragraph from

the office action mailed 04 December 2006 and provide the listing of claims with their proper status.

This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 1 month. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
